You Have What It Takes!

I am giving you this card because I see something in you that really stands out. I believe you have what it takes to be a great LifeGroup leader!!!

You might not see it yet, but *I* do. Take a chance! You won't be alone as a new leader; as a part of the LifeGroup leader team you'll be trained and coached for success.

Best of all, you'll have a front row seat as you help others *reach* out to change their communities, *connect* with new friends and *grow* in their faith.

I believe you have what it takes to lead a LifeGroup! Now it's up to you to take a step of faith and get started!
